

Pat McWard Introduction

“Patrick is a business owner, professional speaker, artist, and author who has studied spirituality, psychology and business for over 25 years. He draws from years of experience working in two major corporations before starting his own business in 1996. Early in his career, he was promoted over 300 other reps into the #1 sales territory in the company with Johnson & Johnson Surgical. He has a Masters in Business and has spoken to over 1100 audiences, receiving numerous speaking awards.

He is the author and creator of Radical Attraction, a new and unique approach to help business owners and professionals attract the right customers and grow their business the right way.

Pat promises no group hugs today but asks that you have fun and open up to unlimited possibilities for your business and life.
